TREE REMOVAL (The ACC places considerable weight toward the preservation of healthy trees over 24" in diameter .)

Approx. # of trees on your property/lot? _____ How many of those trees are over 6" in diameter? _____
Exact # of trees to be removed _____ Approx. diameter: _____ Location: _____ Front _____ Side _____ Back

Please list species of trees (if known) and the reason for the tree(s) to be removed.

NOTE: The ACC recommends an arborist report to accompany evergreen tree removal requests of 5 or more. The report should be from an *independent* arborist, not associated with a tree removal service and should include a low-to-high risk assessment of the trees over the next 12 months. If high, the report must cite the specific disease or factors that will cause imminent failure in the next 12 months. The ACC reserves the right to have a 2nd assessment. For a list of *independent* arborists, contact the HOA office.

TREE LIMBING

Exact # of trees to be limbed _____ Approx. diameter of trees _____ Approx. height to be limbed: _____
Location of tree(s) _____ Front _____ Side _____ Back

NOTE: PHOTOS ARE RECOMMENDED. Please print and attach, or forward to HOA office via email.
NOTE: TREE(S) MUST BE RIBBONED FOR ACC INSPECTION. If request is for both removal and limbing, ribbons need to be marked accordingly. Submission of this form gives permission to inspect. The ACC will try to give pre-advice of inspection, but this is not always possible.
